**The Only One – Endorsed and recommended by HYUNDAI OILBANK**

Converging the best and the most optimal, with incomparable power, enhancing performance at an amazing rate, HYUNDAI XTeer created by Hyundai's built-up technology will open the new world of Industrial lubricants.

HYUNDAI XTeer HD 9000 is synthetic, ultra-high performance diesel engine oil developed to lubricate modern, high-performance, low-emission engines operating in severe duty equipment. A new advanced additive system has been specially developed to help extend engine life and maintain the effectiveness of emission reduction systems, including diesel particulate filters (DPFs).

*\* Oil recommendations differ per OEM brand. Check owner's manual before use.*

Performance levels

ACEA E6/E9, API CK-4  
Volvo VDS-4.5  
MAN 3477/3677  
MB 228.51  
JASO DH-2  
Scania LDF-4

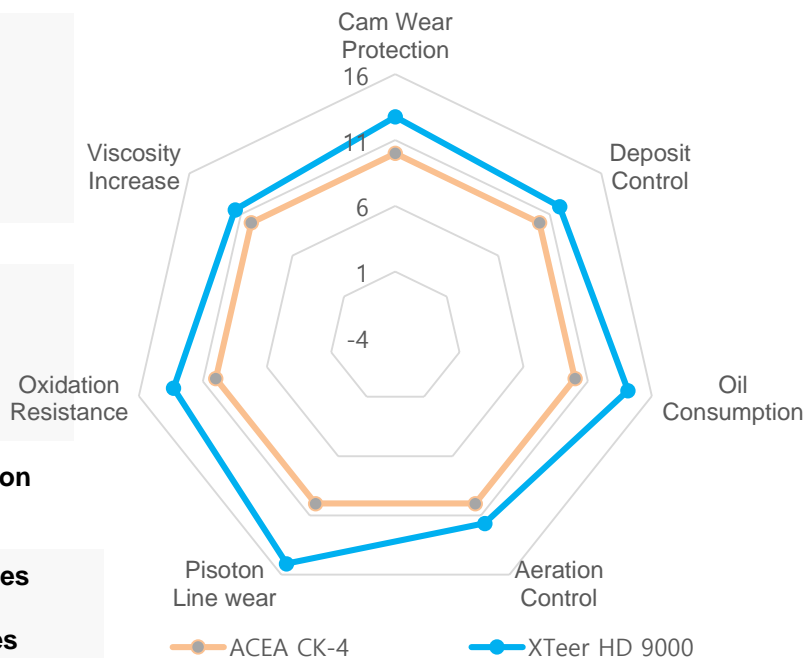

Features and benefits

Excellent detergency  
DPF/Low SAPS  
EURO-6  
Improved fuel efficiency  
Excellent engine protection

Applications

Diesel commercial vehicles with DPF, SCR, and EGR  
Heavy-duty diesel engines using low-sulfur diesel fuel and multiple biodiesel blends

SAE	Kinematic Viscosity		Viscosity Index	Flash Point	Pour Point	SAPS (wt%)
	40°C	100°C				
5W-30	68.21	11.54	164	224	-39.0	0.8
10W-40	99.44	14.25	147	228	-39.0	0.8
15W-40	120.8	16.2	143	240	-41.0	0.8

\* Most of the test results are similar in quality, but there may be some differences in results depending on Lot No and the additives of the formulation.

XTeer HD9000 meets the long oil drain requirements of Mercedes-Benz, MAN and others, from the latest Euro-6 to older generation engines, to allow operators to optimize maintenance schedules and control maintenance costs. Unique additive technology delivers high levels of piston cleanliness essential for long engine life and wear protection.
