“PLEASURE” the emotion you can experience with HYUNDAI XTeer, based on HYUNDAI’s most advanced technology from KOREA representing the next generation of automobile lubricants.

XTeer TOP 5W-30, 5W-40

Description

XTeer TOP is a premium performance engine oil formulated from 100% synthetic base fluids. It is fully suitable for use in passenger car and light truck gasoline engines, passenger car diesel engines and passenger car LPG engines under all operating conditions. The wider temperature range capability of the synthetic base fluid ensures correct oil viscosity which reduces friction at start-up and provides maximum lubrication during high temperature operation in all seasons.
